ABOUT US

The group MCI has established itself over the years as an excellent supporter of the mining industry in West Africa, with recognized expertise in the delivery of onshore and offshore infrastructure and logistics projects. MCI provides a one-stop shop for its clients, from construction to mining, and covers all contract mining services, civil earthworks, and related infrastructure on greenfield sites, mine expansions or developments. MCI's clients include major international and local companies, for whom it carries out work on mining roads, tailings storage facilities (TSFs) and mining ports.

Social and environmental responsibility play a strategic and vital role at MCI. MCI complies with the strictest labour and human rights standards. MCI is a member of the United Nations Global Compact and is recognised for its commitment to human rights.

The diversity of our workforce is one of our greatest strengths. An inclusive and equitable workplace enables us to leverage this diversity to deliver more innovative and sustainable solutions to our staff, customers, shareholders and communities.

As an inclusive employer, MCI does not discriminate on the grounds of age, disability, gender, sexual orientation, gender identity or expression, marriage, civil partnership, pregnancy, maternity, race (including colour and ethnic or national origin), religion or belief.
